cobbler before he got on the jury."

Bacon that used to sell in the South for from five to eight cents per pound is now worth from four toe to seventeen cents per pound. Cotton has depreciated largely, and it does not pay to raise cotton to buy pork with. The Southern farmers are beginning to find this out.

The number of acres in rice in the United States in 1860 was 114,113; number of pounds produced, 110,131; number of pounds produced, 110,131; number of pounds produced, 110,131; number of neares under cultivation in 1861, acry twenty thousand less than in 1860, and product in 1861, eleven million pounds greater than that of the previous year.

Thus London Truth ridicules Gen, Wolseley's dispatches from Egypt as

The London Truth ridicules Gen, Wolseley's dispatches from Egypt as "sentimental twaddle," and attention is called to his account of an engagement in which there was "heavy firing for several hours," the troops "behaving admirably under a hall of bullets," and the result was one man killed and twelve-wounded.

A WEATTHY bachelor of Oregon, whose death lately occurred in the East, while on a visit, has given the most valuable farm in the core to a school for young ladies. The buildings for the school will be creeted soon. This farm contains 24,000 prune an plum trees, and the proceeds from the sale of fruit are some \$10,000 a year.

PROF. Boss, of the Dudley Observa-tory, at Albany, says the comet was 18, 000,000 miles from the sun September 17, and 20,000,000 on the 21st. On the former date it was 105,000,000 miles from the earth, and on the latter 107, 000,000. It is thus going sway both from the sun and the earth. It is plainly visible in the early morning in the Eastern sky, and is beautifully brillians.

The apple crop of Europe will be t this year.

—The apple crop of Europe will be gith this year.
—Sheep give two crops a year, one in the fleece and one in the lambs; sometimes three, for in California and Texas bey sheat twice a year.
Peach Butter: Pare and stone good, ripe peaches, and cut them up fine. Cook two hours, then add to each pound of fruit half a pound of sugar, and cook an hour longer, stirring all the time—Detroil Fost.

an hour longer stirring all the time—

Jerouf Peot.

— To Fielde Peaches, Pears, etc: For eight pounds of rinti take one quart of cider vinegar and one quart of water, with three and a half pounds of sugar, and spice to taste. Put all together until they are rich enough, which you will be best able to determine for yourself.—

A Southern correspondent says of the ticks that attack horses and cattle during the summer. These peets may be results, and one of the control of the control
